- The HSRPs shall be destroyed if the applicant does not arrive for affixation on 3rd appointment or up to 90 days after the first appointment.
 - No extra charges will be applied at the authorized affixation center for the HSRP, Rivets, and TLP stickers installation but if any further accessories are required or demanded by the customer for fitment the charges will apply.
 - If the old plates on the vehicle are secured with rusted screws, owners are advised to visit a nearby garage to have them removed safely. This will help prevent any potential damage to the vehicle when removing them at the fitment center.
 - Ensure the vehicle matches the HSRP order details; any mismatch will result in cancellation and forfeiture of the booking amount.
 - HSRP will be affixed to the vehicle and cannot be handed over to the owner.
 - Avoid using harsh materials, chemicals, or solvents on the HSRP to prevent damage.
 - If the old plates on the vehicle are secured with rusted screws, owners are advised to visit a nearby garage to have them removed safely. Do not pressurize our fitters. This will help prevent any potential damage to the vehicle when removing them at the fitment center.
