

Jay Moundekar

B.pharm Fresher

"I'm a recent pharmacy graduate with a strong interest in healthcare and medicines. During my studies, I gained knowledge about drugs, their effects, and how they help people. I'm eager to start my career, learn from experienced professionals, and apply what I've learned in real-world situations. I'm hardworking, detail-oriented, and excited to grow in the pharmaceutical field."

WORK EXPERIENCE

Pharmacy Intern Laxmi Medical Stores

Tandapeth, Nagpur

Achievements/Tasks

- I've learned a lot about how drugs work, how they're made, and how to make sure patients use them safely. I enjoy working in teams, solving problems, and learning new things. My goal is to use my knowledge to improve people's health and be part of something that makes a real difference."

PERSONAL PROJECTS

Comparative studies of herbal hair product (2025)

- Herbal hair products are formulated using natural ingredients to promote hair health and growth. Comparative studies evaluate their effectiveness against synthetic alternatives, highlighting benefits such as reduced side effects and enhanced nourishment

"FORMULATION AND EVALUATION OF HERBAL NIOSOMAL TABLET FOR HAIR CARE". (2025)

- Accepted for publication in "South Eastern European Journal of Public Health" ISSN: 2197- 5248.
- ID: SEEJPH-HR-1577
